Kurukshetra's February 2026 issue provides a comprehensive analysis of India's sports governance landscape — from the landmark **Khelo Bharat Niti 2025** (National Sports Policy) and the **National Sports Governance Act 2025** to the evolution of sports administration since Independence and key government schemes for athlete development. This issue is directly relevant for GS1 (Society), GS2 (Governance, Polity) and GS3 (Economy) — sports governance has become a high-frequency UPSC topic following recent controversies and policy reforms.
